

SYSTEM ADMINISTRATOR / HELP DESK

As System Administrator you will be working on Nano's platform to make sure the lights are on all the time. You will be responsible for installing, system monitoring, troubleshooting, general maintenance, upgrades and enhancement. You will also be responsible for designing and installing LANs, Wi-Fi, intranet systems and network segments.

Type: Full-time

Location: Starnberg (from summer 2018 Munich)

Tasks:

- System administration (Office365, serverless, multi office, Win/Mac)
- Network administration (firewall, VPN)
- User administration
- Help desk
- Development and implementation of security and backup procedures
- Purchase and setup of hard- and software

Requirements:

- Minimum of 2-3 years of professional experience in system administration.
- Profound experience with Office365.
- Proficiency in administering Win and Mac based operating systems.
- Excellent command of spoken and written English.
- SharePoint site administration skills a plus.
